

OFSAA West Region Track and Field Championship Protest Form

In the case of disqualification a protest may be filed by the head coach of the school team using the following steps:

1. The track/field referee will advise the coach of the disqualification as soon as possible with an explanation of the disqualification using the official form that will be submitted to the meet convenor and Jury of Appeal, if needed.
2. The head coach will have 30 minutes from the notification to submit an appeal in writing on the following Appeal Form along with a \$50 fee (cash) to the meet convenor stating the rationale for appeal. At this point the head coach may also submit video evidence if they choose to do so.
3. The meet convenor will then take the appeal form, visual evidence and the referee's decision to the Jury of Appeal who will be sequestered to a separate location. The Jury of Appeal will be comprised of three coaches representing each one of the regions participating in the meet.
4. Once the Jury of Appeal has reached a decision they will inform the head coach of their decision.
5. All decisions once made by the jury will be final.
